

Electronic Transcript Policy

It is the policy of Morningside College to only accept electronic transcripts from the institution or from an established provider such as Script Safe, Parchment, National Student Clearinghouse, Docufide, SENDedu, etc. Designated officials from institutions (i.e. Registrar) can email the electronic transcript(s) to the Admissions Office if they do not use a 3rd party vendor. We will not accept copies emailed from the student(s) in any format. Once Admissions has received the transcript(s), the transcript(s) will be printed and stamped as official for Morningside College.
