

Winter Course Offerings:

Morningside College has entered an agreement with other small colleges to offer the opportunity to take winter courses. Morningside students will be able to take these online courses at a flat rate of \$500 per courses. (Please note that transfer courses do not replace grades for Morningside courses.) **Registration for Winter Course Offerings require a zero balance on your student account in order to register. Please check with the Business office for any holds before registering.**

Students can begin the registration process here:

<https://www.collegeconsortium.org/institutions/morningside-college/>

Please contact the registrar's office if you have further questions.
