I. OVERVIEW OF SAFETY AND SECURITY DEPARTMENT

INTRODUCTION

Morningside College and the Sioux City community are relatively safe environments. Even so, we fully recognize the potential for crime and accidents. We are constantly taking proactive approaches to minimize the risk and enhance the security and safety of the entire campus community – students, faculty, staff, alumni and visitors.

However, the college staff cannot do this without help from everyone, including students, faculty, and staff. People must take responsibility for their own safety and belongings and also the safety of their neighbors. Anyone who observes suspicious activity should report it immediately to Campus Safety and Security. People should be aware of the potential for loss or theft if personal items are left out in the open and not guarded.

At no time does Morningside College assume any responsibility for theft, damage or loss of money, valuables or personal property.

Morningside College is a private institution. Campus facilities are for the use of Morningside College students, staff and faculty and their guests. Campus Safety and Security works closely with the college's physical plant, residence life and administrative staff to establish appropriate levels of security at all times. Safety and security issues within the buildings should be reported to Campus Safety and Security as quickly as possible.

CAMPUS SECURITY OFFICE

Campus Safety and Security is the administrative office at Morningside College that is responsible for safety and security. It includes a director, assistant director, one full-time officer, and 20-30 part-time student safety and security aides. The Director reports to the Associate Vice-President of Business/Controller. Campus Safety and Security employees are not sworn or commissioned officers. They do not carry weapons. They do not have arresting authority. The Sioux City Police Department, Woodbury County Sheriff's Office and the Iowa State Patrol handle all arrests. All on-duty personnel wear a distinctive security uniform. They provide basic security services to the campus community and are on duty 24 hours a day 365 days a year. Members of the Campus Safety and Security staff attend training programs specifically designed for security personnel.

Campus Safety and Security has a close working relationship with the Sioux City Police Department. All major crimes (felonies) are reported to the Sioux City Police Department, which assumes responsibility for any investigation that may be necessary as soon as possible. In the case of emergencies, the Sioux City Police Department is notified immediately.

The Campus Safety and Security offices are located in the Olsen Student Center, just inside the main front doors and the Director and Assistant Director's office is located in the Hickman-Johnson-Furrow Learning Center. The phone number for Campus Safety and Security is 712-274-5234. Campus Safety and Security staff members are available either in the office or by calling the Safety and Security number, which will reach them through the radio.

General services provided by Campus Safety and Security are walking and vehicle patrols, response to criminal and non-criminal activity, escorts, jump-starts and unlocking vehicles. Safety and Security officers make routine patrols of campus buildings and check exterior doors and windows of buildings, and regular patrols of parking lots. They also monitor the mechanical rooms of each building and report any potential problems to the Director of Physical Plant.

Campus Safety and Security maintains a daily and monthly log of reported crimes written in a form that is easily understood. The log is available to the public for inspection in the Director of Campus Safety and Security Office located in the Hickman-Johnson-Furrow Learning Center. The daily and monthly logs provide the nature, date, time and general location of each crime. Additionally, the disposition of the complaint is given, if known. Information, including updates, is added as the information becomes available. If there is clear and convincing evidence that the release of such information would jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection, or result in the destruction of evidence, such information may be withdrawn until the damage is no longer likely to occur from the release of such information. As a matter of policy, names are not included in the monthly log.

CAMPUS LAW ENFORCEMENT

Morningside College Campus Safety and Security officers have the authority to ask individuals for identification and to determine whether individuals have lawful business at Morningside College. Morningside College Safety and Security officers have the authority to issue parking tickets, which are billed to financial accounts of students, faculty, and staff. Safety and Security officers do not possess arrest powers. Criminal incidents are referred to the Sioux City Police Department who has jurisdiction on the campus. The Campus Safety and Security Department maintains a highly professional working relationship with the Sioux City Police Department and other law enforcement agencies in the area. All crime victims and witnesses are strongly encouraged to immediately report crimes to Campus Safety and Security and/or the Sioux City Police Department. Prompt reporting will assure timely warning notices on-campus and timely disclosure of crime statistics.

REPORTING CRIMINAL ACTIVITY AND EMERGENCIES

Dial 712-279-6960 to reach the Sioux City Police Department or Sioux City Fire Department in non-emergency situations or 911 for emergencies. Any emergency situation or knowledge of a crime should be reported immediately to Campus Safety and Security by calling 712-274-5234 or by going to the Safety and Security Office located in the Olsen Student Center or the Hickman-Johnson-Furrow Learning Center. When calling either number, you should stay on the line until the appropriate authorities tell you to hang up. You should be able to provide the exact location, the status of the situation and who is involved in the incident.

Students and employees may also report criminal offenses to the Provost, Vice-President for Student Life and Enrollment, Vice-President for Business and Finance, Residence Life Area Coordinators, RAs, coaches, and faculty. All names are kept confidential and not included in daily logs in an effort to protect those who are reporting the crime from retaliation. Only certain personnel will have access to the names of the informants to provide them with protection.

Emergency Code Blue Call Boxes are located in the following places: Roadman Hall Main Entrance; Roadman Hall South lower south entrance; Residence Complex, lower main entrance; Rear east entrance of Dimmitt Hall on Vine Ave.; Lewis Park Parking Lot on Peters Avenue; Garretson Parking Lot on Garretson Avenue; the northwest corner of the Hickman Johnson Furrow Learning Center; the north side of the Walker Science Center by the atrium;; Poppen Hall upper entrance; Waitt Hall upper entrance; Lags Hall south entrance; the Olsen Stadium east parking lot; and the Apartment Complex parking lot.

II. GEOGRAPHY

RESIDENCE AND CAMPUS FACILITIES

The college has eight buildings classified as residence halls, each housing 8-350 students. Head Residents (HRs), Head Apartment Managers (HAMs), Apartment Managers (AMs) and Resident Assistants (RAs) are upper-class students who have been carefully selected and trained to assist individuals on the floor and help maintain a healthy educational environment in the buildings. Area Coordinators are professional members of the Residence Life team who live in the residence hall setting. The residence life staff receives training in basic security and emergency situations.

Residence halls are locked 24-hours a day. Residents may obtain entry using the keys or FOBs they were issued upon arriving at college. It is the responsibility of the student to ensure that his or her room is secure.

During Christmas Break, all students are required to vacate the halls except with permission from the Office of Residence Life. The halls are not fully staffed during this break, so keys are normally collected from students to limit access to the halls. During other breaks, students will not be asked to turn in their keys but will be required to notify their RA that they will be on campus at such time.

Hall meetings at the beginning of each term provide the opportunity for residents to learn about building security, campus and residential policies, and enforcement procedures.

All guests in the residence halls must have a student host and are subject to college policies and regulations. The host is responsible for the actions of and any damages caused by the guest. Overnight guests are usually permitted on the weekends but may not stay more than two consecutive nights. If a roommate objects to the presence of an overnight guest, that guest may not spend the night. Members of the opposite sex may only be on a floor or in a student room during visitation hours. However, main lounges in the residence halls are not subject to these restrictions. Visitation hours in the residence halls are from 10 a.m. to 1 a.m., Sunday-Thursday. There are no limits to visitation hours on Fridays and Saturdays except for first-semester freshmen, whose visitation on these days is between 10 a.m. and 2 a.m. Individual floors may choose to restrict hours even beyond the visitation guidelines set by the college.

All buildings are regularly inspected by Campus Safety and Security and by Maintenance to ensure that all emergency lighting is working properly. They also ensure that all alarms, doors, and locks are working properly. Outside security concerns are addressed regularly.

FACILITY ACCESS POLICY

During business hours, the College (excluding certain housing facilities) will be open to students, parents, employees, contractors, guests, and invitees. During non-business hours, access to all College facilities is by key/FOB if issued or by admittance via the Campus Safety and Security Department or the Residence Life staff. In the case of periods of extended closing, the College will admit only those with prior approval to all facilities.

Solicitation is strictly prohibited on campus unless prior approval is given by the Vice President for Student Life and Enrollment.

ADJACENT PUBLIC PROPERTY

Crimes that occur within public property, including thoroughfares, streets, sidewalks, and parking facilities that is within the campus or immediately adjacent to and accessible from the campus will be reported.

OFF-CAMPUS ACTIVITY

Morningside College does not recognize any off-campus organizations.

All Campus Safety and Security reports are forwarded to the appropriate people for further action. This may include Residence Life, Dean of Students/Title IX Coordinator, Business Office, and in some cases, the Sioux City Police Department. Additional information collected during the investigation is forwarded to the Sioux City Police Department unless the victim does not wish to pursue criminal charges.

If assistance is required from the Sioux City Police Department or Sioux City Fire Rescue, Campus Safety and Security will contact the appropriate unit. If a sexual assault or rape should occur, staff at the scene, including Campus Safety and Security, will offer the victim a wide variety of services. Morningside College has access to a variety of agencies that assist the victims in these situations such as the Council on Sexual Assault and Domestic Violence (CSADV) or Centers Against Abuse and Sexual Assault (CAASA). At any time, anyone can ask about these resources through the Director or Assistant Director of Campus Safety and Security, Dean of Students/Title IX Coordinator, Campus Chaplain, Nurse, or Counselor.

Crimes should be reported to the Campus Safety and Security Department or any of the aforementioned personnel to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the campus community, when appropriate. A person may still report a crime and not want to pursue criminal charges or campus charges.

CRIME REPORTING

The Campus Safety and Security Department encourages anyone who is a victim or witness to any crime to promptly report the incident to Campus Safety and Security. Campus Safety and Security makes all attempts to keep information that would possibly jeopardize an investigation confidential until such time is deemed that such information can be released. In most cases, in the daily crime log, names are left out for the privacy of such individuals. All Clery Act crimes are included in the Annual Security Report.

CONFIDENTIAL REPORTING PROCEDURES

If you are a victim of a crime and do not want to pursue action within the Morningside College system or the criminal justice system, you may still want to consider making a confidential report. With your permission, the Director of Safety and Security or a designee of the Campus Safety and Security Department can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the College can keep an accurate record of the number of incidents involving

students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Records filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

Campus Counselors as a result of the rulemaking process which followed the signing into law the 1998 amendments to 20 USC § 1092 (f), clarification was given to those considered to be campus security officials. Campus “pastoral counselors” and campus “professional counselors,” when acting as such are not considered to be campus security authorities and are not required to report crimes for inclusion into the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion into the annual crime statistics.

CRIME PREVENTION PROGRAMS

Crime prevention programs on personal safety and theft prevention are sponsored by various campus organizations throughout the year. At the beginning of the year, the Office of Residence Life meets with all students in the dorms to go over building rules and during this time, students are talked to about personal safety, in and out of the dorms. Campus Safety and Security personnel facilitate programs for students, faculty, staff, and student organizations, in addition to working with Residence Life on programs for students on how to protect themselves against sexual assaults, theft, and other crimes. New employees are given similar information during their orientation. During the year, various crime prevention and safety related information is sent out to the entire campus.

At all times, students, faculty, or staff can call Campus Safety and Security for an escort at night. Campus Safety and Security also encourages students to walk with others and not alone at night and to walk in well-lit areas of campus and the surrounding areas.

SECURITY AWARENESS PROGRAMS

Any time during the year Campus Safety and Security, Residence Life, and Counseling Services are able and willing to offer students programs concerning personal safety. Programs include safety in the residence halls and while on campus. Morningside College works with various local agencies and the local police department to present various programs for the benefit of the students, faculty, and staff at the College.

All times Campus Safety and Security stresses safety starts with the student, faculty and staff member.

When time is of an essence, information may be sent via the Morningside Electronic Notification System, campus email, or signs posted around campus.

If anyone would like to schedule a program for their group, they are encouraged to contact Campus Safety and Security at 274-5234 or the Office of Residence Life which will help in the planning of such programs.

SAFETY TIPS

Personal Security Recommendations

- Never walk alone at night. Use sidewalks.
- Walk in well-lit areas.
- Walk close to the curb, away from bushes and alleys.
- If you must walk alone, inform someone at your destination when to expect you so he or she will be waiting.
- Request an escort if you are alone during hours of darkness.
- If you are attacked, **SCREAM!!!** Bite, kick and stomp the attacker's foot with your heel. Do anything to bring public attention to your situation.
- Keep items of value out of sight.
- Safeguard any documents that include personal information that others could use to commit identity theft.
- Lock your door whenever you leave your room.
- Report any suspicious activity immediately to Campus Safety and Security or the Sioux City Police Department.

Residence Hall Safety and Security Advice

- Lock your room door – even if you are just going to the restroom or into the room next door. Most crimes that occur on a residential campus are crimes of opportunity and happen when a door is left unlocked.
- Lock your door before you go to sleep.
- Do not prop open residence hall exterior doors.
- Do not lend your keys to anyone at any time.
- Inform your roommate or friends where you will be if you plan to remain away from your room overnight.
- Mark articles of value with an identifying number/mark. Photograph valuable property and keep a record of this information. Do not use your Social Security number or any other number that could have value to others.
- Notify Campus Safety and Security by calling 712-274-5234 if you need an escort from a parking lot, classroom building, or residence hall.

Severe Weather Advice

- Move to the lowest part of the building or a central hallway without windows
- Stay as far away from windows, mirrors, or unsecured objects such as dressers, cabinets, or bookcases.
- **DO NOT USE ELEVATORS!**
- Be ready to assist those with disabilities.
- Remain in the safe area until the warning has expired and you have been given the all-clear from Campus Safety and Security or Residence Life.
- Listen to local TV or radio stations on AM/FM radio or your weather radio.
- Planning ahead and knowing where you are to go in severe weather situations could help save your life!

Armed Assailant Advice

- Remain as calm as possible.
- Lock and barricade yourself in the nearest room. Use large items to block the door. Try to tie the door closed if possible with belts or other items.
- Turn off all lights.
- Close blinds.
- Turn off computers if possible.
- Silence cell phones.
- Get away from all windows and doors. Keep low to the ground but be prepared to act quickly.
- If you are able to, call the Sioux City Police Department by calling 911 with the location of the assailant and your location. Have someone else call Campus Safety and Security at 712-274-5234. When calling give your location, the number of individuals in your location, any injuries, the name of the assailant if possible, any descriptions of the individual, what they are wearing and have with them. Any information will assist them in finding the suspect.
- Try to remain on the line even if you are not speaking to allow the dispatcher to hear what is going on.
- Try to stay as quiet as possible; any noise will alert the shooter to your location.
- If you try to leave a secure area, have a plan in mind and leave any items behind as they will hinder you as you leave. When approached by the Police Dept. do not be alarmed, have your arms in the air, and work with them giving them any information that will lead them to the shooter. You may have to break a window to leave a room safely.
- If the assailant enters the room you need to be prepared to use force. Use items in the room such as books, desks, chairs, or anything that you can throw at the assailant. Be prepared to overcome the assailant with force. Having a group of individuals trying to overcome the assailant maybe an option.

MISSING STUDENT POLICY

Morningside College has adopted a Missing Student Policy, and the content of this policy follows,

If a member of the Morningside College community has reason to believe that a student is missing, all possible efforts are made to locate the student to determine his or her state of health and well-being through collaboration of Campus Safety and Security, Student Life, Residence Life, and the missing student's family and friends. ALCOHOL AND SUBSTANCE ABUSE INFORMATION

PREVENTION PROGRAMS

The College has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students. The program provides services related to drug and alcohol use and abuse including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary action.

Morningside College Residence Life and Personal Counseling Services provide the overall coordination of these programs. These programs include:

Alcohol and Drug Education: Programs by Residence Life staff and Personal Counseling services address issues of concern throughout the year.

Counseling Services: Morningside personal counselors will meet with students on alcohol and drug related issues.

Referral Services: if warranted, Residence Life and Counseling Services will have students seek off-campus counseling and referral services. Jackson Recovery Services is usually recommended.

College Disciplinary Action: In most cases, disciplinary action will be taken including fines and in severe cases, removal of the student(s) from the college, including classes and the residence halls. The student does have the right and ability to appeal the action to the Judicial Officer and Judicial Committee.

SEXUAL ABUSE - SEXUAL ASSAULT POLICY

Morningside College is concerned about the safety and welfare of all campus members and guests and is committed to providing a living and learning environment, free of all forms of abuse, violence, harassment, and coercive conduct, including sexual misconduct. In an effort to promote the dignity and well-being of members of the campus community, the College is committed to addressing allegations of sexual abuse and/or sexual assault. The College will also provide educational programs to promote the awareness of rape, acquaintance rape, and other sex offenses. The College has developed this policy, which is consistent with the Student Right-To-Know and Campus Security Act, Public Law 101-542 (Clery Act), and State of Iowa Code 709

Morningside College will not tolerate sexual misconduct in any form. Sexual misconduct may include (but is not limited to) acquaintance or date rape, non-consensual sexual intercourse (or attempts to commit the same), non-consensual sexual contact (or attempts to commit the same), or sexual exploitation. Members of the Morningside College community are strongly encouraged to report all incidents of sexual misconduct. Reports of sexual misconduct received by the College will be taken seriously and will be investigated.

Acts of sexual misconduct may also have certain criminal and civil law repercussions. College personnel are available to assist victims in contacting law enforcement and emergency medical providers, if the student so chooses.

When Morningside College determines that a case of sexual abuse and/or sexual assault might have taken place, the college will fulfill its legal obligation to report the same to the appropriate law enforcement or other legal authority for appropriate disposition.

This policy does not address acts of sexual harassment, also considered sexual misconduct, which is dealt with in a separate policy, also found in this report and in the [Student Handbook](#).

Sexual Misconduct Offenses Include, But Are Not Limited To:

Non-consensual sexual intercourse (or attempts to commit the same): Intercourse is narrowly defined. Non-consensual sexual intercourse is any sexual intercourse (anal, oral, or vaginal), however slight, with any object, by a man or woman upon a man or woman, without effective consent. This includes vaginal penetration by a penis, object, tongue, or finger, anal penetration by a penis, object, tongue, or finger, and oral copulation (mouth to genital contact or genital to mouth contact).

Non-consensual sexual contact (or attempts to commit the same): Non-consensual sexual contact is any sexual touching, however slight, with any object, by a man or woman upon a man or woman without effective consent. This includes any contact with the breasts, buttock, groin, or genitals, or touching another person with any of these body parts, or making another person touch you or themselves with or any of these body parts. Non-consensual sexual contact may also include unwanted disrobing or exposure.

Sexual Exploitation: Sexual exploitation occurs when an individual takes non-consensual, unjust sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of

the other sexual misconduct offenses. Examples of sexual exploitation include, but not limited to, prostituting another student, non-consensual video or audio-taping of sexual activity, going beyond the boundaries of consent (such as your friends secretly watch you having consensual sex), voyeurism, and/or knowingly transmitting an STD or HIV to another student.

- A. The act is done by force or against the will of the other. If the consent or acquiescence of the other is procured by threats or violence toward any person, or if the act is done while the other is under the influence of a drug-inducing sleep or is otherwise in a state of unconsciousness, the act is done against the will of the other.
- B. Such other participant is suffering from a mental defect or incapacity which precludes giving consent, or lacks the mental capacity to know the right and wrong of conduct in sexual abuse.
- C. Such other participant is a child.

C.), residence life professional staff, campus Safety and Security, campus nurse, college staff or faculty, or someone you feel safe with.
- B. **Get medical attention.** If you are injured, you should consider going to the hospital of your choice as soon as it is safe and possible. Getting medical attention will allow trained medical professional to assess and treat any injuries you may have received and answer any questions about your physical health.
 - a. UnityPoint Health-St. Lukes, 2720 Stone Park Blvd. Sioux City, IA
 - b. Mercy Medical Center-Sioux City, 801 5th Street, Sioux City, IA
- C. **Preserve all evidence.** Do not change your clothes, shower, bathe or douche. If possible, do not go to the toilet. All physical evidence, including seminal fluids, hair, blood types and scrapings of flesh from the victim's fingernails is used in court.
- D. **Sexual Assault is a crime and you are strongly encouraged to report it.** Reporting sexual abuse/sexual assault DOES NOT commit you to filing a complaint with the College or criminal charges with the Sioux City Police Department. You can make that decision later.

Reporting the Incident

Students have the following four options to report any instance of Sexual Misconduct. You have the right to choose to do any or all of these options, or to do nothing. The choice is yours:

- 1. Report the incident of abuse/violence, but choose not to file a complaint with the college or criminal chargers:**
 - a. A report is a written or typed account of what happened that is taken by Dean of Students/Title IX Coordinator or anyone listed as an On-Campus Resource for reporting Sexual Misconduct. This report is for documentation purposes only and will be kept on record with the College
 - b. If a student wishes NOT to pursue the case through the College conduct system, the student will be able to determine that when he/she provides his/her report.
 - c. If the student is unsure, he/she wishes to file a report, they are encouraged to file a report so that information about the incident is documented while it easily remembered.
 - d. Having a sexual misconduct experience documented by a College staff member does not obligate you to report the incident to the Sioux City Police Department. Similarly, reporting directly to the Sioux City Police Department does not obligate you to file a complaint with Morningside College. These are separate processes.
- 2. File a formal complaint with the College:**
 - a. This report is designated as a formal complaint by the complainant, and the College will investigate the incident as appropriate. A written or typed account of what occurred must be turned into the Dean of Students/Title IX Coordinator or anyone listed as an On-campus Resource for Reporting Sexual Misconduct.
 - b. A student will be able to choose not to pursue the case at any time throughout the process.
 - c. The College will investigate the incident, which may include speaking to the respondent (the accused), witnesses, and gathering other information. The College will then make recommendation or decision based upon the information presented. The investigation may take several days or weeks, depending on the circumstances.
 - d. Conduct processes, as outlined in the [Student Handbook](#), will be followed throughout the process of the complaint.
- 3. Pursue criminal charges**
 - a. A student that wishes to file criminal charges will need to file an official report of the assault with the Sioux City Police Department. Responding officers can contact the proper authorities if the assault took place outside their respective jurisdiction.
 - b. On-Campus Resources for reporting Sexual Misconduct, the Office of Residence Life and Campus Safety and Security can assist you in contacting the Sioux City Police Department.
 - c. Filing a report with the Sioux City Police Department does not obligate a student to follow through with legal action or action through the College.
- 4. Pursue both college and criminal charges**
 - a. The process outlined in Option #2 and Option #3 occurs at the same time.
 - b. College proceedings and criminal investigations and adjudication of the incident occur independently.

Incidents of sexual abuse/sexual assault may be reported either by the victim or by another person who shall serve as a liaison with the appropriate college personnel. The information given regarding incidents of sexual misconduct will be kept confidential to the fullest extent permitted by law and be handled with the student's privacy and discretion in mind.

Definition of Terms:

Morningside College has adopted several definitions based on statutory laws of the State of Iowa, the United States Department of Justice and through established best practices.

Pursuant to Iowa Code 708 and Chapter 236, the following is the statutory definition of domestic abuse in the state of Iowa.

Domestic Violence

A felony or misdemeanor crime of violence committed:

- A. By a current or former spouse or intimate partner of the victim
- B. By a person with whom the victim shares a child in common
- C. By a person who is cohabitating with, or has cohabitated with the victim as a spouse or intimate partner

- E. By any other person against an adult or youth victim who is protected from the person's acts under domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

Domestic violence is a pattern of abusive behavior in any relationship that is used by one partner to gain or maintain power and control over another intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure or wound someone. This may include:

Physical abuse: Hitting, slapping, shoving, grabbing, pinching, biting, hair pulling, etc. are types of physical abuse. This type of abuse also includes denying a partner medical care or forcing alcohol and/or drugs use upon him or her.

Sexual abuse: Coercing or attempting to coerce any sexual contact or behavior without consent. Sexual abuse includes, but is certainly not limited to, marital rape, attacks on sexual parts of the body, forcing sex after physical violence has occurred or treating one in a sexually demeaning manner.

Economic abuse: Is defined as making or attempting to make an individual financially dependent by maintaining total control over financial resources, withholding one's access to money, or forbidding ones attendance at school or employment.

(i) The existence of such a relationship shall be determined based on the reporting party's statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

SEX OFFENDER REGISTRATION

In accordance to the “Campus Sex Crimes Prevention Act” of 2000, which amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act, and the Family Educational Rights and Privacy Act of 1974, the Campus Safety and Security Department is providing a link to the Iowa Sex Offender Registry. This act requires institutions of higher education to issue a statement advising the campus community where information provided by a state law enforcement agency concerning registered sex offenders may be obtained. It also requires sex offenders already required to register in a State to provide notice of each institution of higher education in the State at which the person is employed, carries a vocation, or is a student. In the State of Iowa, sex offenders must register through the Iowa Sex Offenders Registry which is maintained by the Department of Public Safety.

Several programs were held in each residence halls with the same name along with other on campus programming through the Morningside Activities Council. Other on campus activities included emails and posters on and to the entire campus. Many of the programs were done across campus at various times. Commuters were informed of this information through emails sent out during the year.

The Centers Against Abuse and Sexual Assault (CAASA) formed a group, SPEAK UPP, to help educate the campus on sexual assault and dating violence. This groups met twice a month.

Campus Safety and Security sends out information throughout the year concerning sexual assault. These emails do give information on signs to look for if someone may be in an abusive relationship or is a victim of a sexual assault. The emails also give out information regarding how to report such incidents and who they could report it to.

SECURITY ALERTS

Morningside College makes timely reports to the campus community regarding crimes reported to Campus Safety and Security and/or the Sioux City Police Department that are considered a threat to other students and employees. In the case of a major emergency or severe weather, alerts are posted via the *Morningside Electronic Notification System*, which will alert all students, faculty and staff via a text message to their cell phone and an email to their college email account. They may also be posted in the residence halls, the Olsen Student Center and in the campus newspaper, the *Collegian Reporter*. In some instances, the alerts will be broadcast via KMSC Fusion 92.9, the campus radio station. In the case of a major emergency, updates will be posted to the college website and messages will be sent out via the *Electronic Notification System*. In the case of the campus being closed due to weather, a message will also be sent out

using the *Electronic Notification System* from the Academic Affairs Office. Crime and Security alerts will be issued via an e-mail sent out to all students, faculty, and staff alerting them of crimes that may put the campus at-risk for both short-and long-term periods of time. Security Alerts are advisories reminding the campus community of crime trends, not necessarily in response to a specific crime.

TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that in the judgment of the Director of Campus Safety and Security or his designee constitutes an ongoing or continuing threat, a campus wide “timely warning” will be issued without delay to the appropriate segments of the campus community and the proper law enforcement authorities will be contacted, if appropriate. The Director of Campus Safety and Security will work with others such as the Dean of Students/Title IX Coordinator, Vice President of Business and Finance, and others to determine the appropriate segments of the community that need to be notified. Emergencies where issuing a notification would compromise efforts to assist a victim, contain the emergency, respond to the emergency or mitigate the emergency aren't subject to the emergency notification requirement. Anyone with information that would warrant a timely warning should report the information to the Campus Safety and Security Office by phone at 274-5234 or in the Safety and Security Office in the Olsen Student Center.

EMERGENCY NOTIFICATIONS

If there is a situation that poses an immediate threat, as determined by the Director of Safety and Security of their designee, to the campus and community, the Emergency Notification System will be used and will include a short message that the campus is in a lock down and that everyone should lock themselves in place. Further details will be sent as warranted. If the situation warrants and there is information available, information may be posted to the campus website to inform the community and parents.

When the campus is in lockdown, everyone should lock themselves in their current location, turn off lights, radios, computers, and turn cell phones to silent or vibrate. It is encouraged to get yourself out of sight and try to hide remain out of sight until it is safe to leave. It is encouraged if possible and are able to call and give information concerning the situation without putting yourself in danger to assist Campus Safety and Security and the Sioux City Police Department. When it is safe, an all-clear will be issued via the Emergency Notification System or if you are asked to go with a member of the Sioux City Police Department when they are sweeping through a building.

Morningside College uses an Opt-Out System for the Emergency Notification System. All students, faculty, and staff are automatically enrolled in the system if they supply a cellphone number to the college. All students, faculty, and staff will receive an email notification whenever there is an alert being sent out even if they opt out of the cellphone notifications.

EMERGENCY PROCEDURES

Morningside College maintains an emergency response plan to guide it through a sensitive or dangerous situation. Examples are, but not limited to, fires, explosions, natural disasters, and violent crime events. When such an event is verified, the college community will be notified via the Emergency Notification System and action will be taken immediately to isolate the affected area, remove those in the affected area, and stabilize the area pending arrival of emergency response organizations. An emergency will be declared and the college Emergency Operations Center (EOC) will be established to resolve the situation and support any non-campus organizations called in to resolve the situation. When the EOC had determined the emergency has ended and it is safe to return to campus or resume regular activities, notice will be sent out to the entire campus community. Depending on the duration of an emergency, information will be sent out to the campus alerting them of the status of the situation.

Process of alerting campus and surrounding area

1. Once a report is received the Director of Safety and Security or his designee will check its validity if possible.
2. If possible, the Director of Safety and Security or his designee will confer with the Associate VP of Business and Finance/Controller on the report.
3. If not possible, an alert will be sent out to the campus that a report has been received without any delay. If only a portion of campus is affected, that affected segment will be notified. If it the report requires the entire campus to be notified, an alert will be sent to the entire campus.
4. Depending on the situation, the alert will include information on what to do such as locking in place, evacuate the area, shelter in place, and so on. This will be determined at the time of the report and the appropriate notification will be sent out.
5. Once the appropriate message is formed, the notification will be sent out to campus.
6. Information will be sent to the local media if it is deemed necessary to ensure the safety of those around campus.
7. Information will be sent to two daycare centers near campus to ensure they are in lock down if necessary.

TESTING OF EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Evacuation drills are coordinated by Campus Safety and Security and Residence Life in all the residence halls and apartments four times a year. Students will learn the locations of the emergency exits in the buildings and are provided guidance about the direction they should travel when exiting each facility for a short-term building evacuation. Campus Safety and Security and Residence Life does not notify residents in advance about the evacuation drills to mimic a real-life situation so they will treat it accordingly. Designated long-term locations are planned out depending on the location of the residence hall and the availability of the locations. Campus Safety and Security and Residence Life will make the determination if a long-term location will be needed at the time of the incident and plan accordingly.

Email notifications are sent out concerning evacuation procedures concerning academic buildings. Faculty and staff are encouraged to communicate with their students and their respective offices on where they will meet if they do need to evacuate and what to expect.

The entire campus is notified of emergency procedures every semester via email and during hall meetings. All tornado shelters are clearly marked on campus and the list is communicated to the entire campus so they can prepare in the event they need to be used. The campus is notified of what to do during all types of emergencies and this information is also readily available online on the Campus Safety and Security website.

MORNINGSIDE COLLEGE CRIME STATISTICS

Annual Disclosure of Crime Statistics

The Morningside College Campus Safety and Security Department prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crimes Statistics Act (Clery Act) (20 USC § 1092). This report is prepared in cooperation with the local law enforcement agencies surrounding our campus, the Department of Resident Life, the Judicial Officer, and Student Services. Each provides updated information on their educational efforts and programs to comply with the Act.

Campus crime, arrest and referral statistics include those reported to the Campus Safety and Security Office, designated campus officials, (including but not limited to directors, deans, department heads, resident life staff, advisors to students/student organizations, and athletic coaches), and local law enforcement agencies. Student Services and counseling staff inform their clients of the procedures to report crime to Campus Safety and Security on a voluntary or confidential basis, should they feel it is in the best interest of the client. A procedure is in place to anonymously capture crime statistics disclosed confidentially during a session.

Each year, an email notification is made to all enrolled students, faculty, and staff that provide access to this report. Copies of this report may also be obtained at the Campus Safety and Security Office located in the Olsen Student Center or by calling 712-274-5234. All prospective employees may obtain a copy from Human Resources located in the Business Office that is located on the first floor of Lewis Hall or by calling 712-274-5114.

The following criminal occurrences were reported to Campus Safety and Security. The statistics are presented in accordance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092). The definitions for these crimes are taken from the FBI's Uniform Crime Reporting Program, as modified by the Hate Crime Statistics Act. These statistics are drawn from Campus Safety and Security files, residence life records and campus Safety and Security authorities (coaches, faculty, staff, etc.), as defined by the Clery Act.

CAMPUS SECURITY

2017 Annual Fire Report

10/1/2018

*The Morningside College experience
cultivates a passion for life-long learning
and a dedication to ethical leadership and civic responsibility*

FIRE REPORT INTRODUCTION

Morningside College takes precautions to prevent fires from occurring in all campus residence halls. The Residence Life Staff, Campus Safety and Security, and building maintenance and custodial staffs are all trained in how to use fire extinguishers, how to evacuate students and staff, and how to call Sioux City Fire Rescue annually. All fire extinguishers are checked annually by law and if one is noticed to be missing and/or used, it is immediately replaced or recharged for future use.

However, it takes precautions by everyone, including all students that are living in the residence halls to help prevent fires from happening at all. Students can take precautions such as not leaving laptop computers on beds or blankets, not using open flames (candles, matches, lighters) in the dorms and checking electrical cords to ensure that if they are torn, they are replaced.

ITEMS NOT PERMITTED IN THE DORMS

The following are not permitted in the residence halls at any time:

- Open flames (candles, lighters, matches)
- Smoking
- Microwaves in the room
- Hot Plates in the room
- Portable heaters

EVACUATION PROCEDURES

Once the fire alarm is set off, Residence Life staff will evacuate all those in the dorm and move them to the safest place possible away from the building. Residence Life staff will go from room to room and enter the room and tell those in the room that they will need to evacuate immediately. Those students found not in compliance are fined for failure to evacuate. They will then proceed to the fire panel box to see where the alarm is located and go investigate the problem. Most the residence halls are on an automatic call from our alarm company, Midwest Alarm, to call Sioux City Fire Rescue. Residence Life staff will at no time put themselves in danger to put out a fire. If they are unable to extinguish the fire with an extinguisher, they will evacuate and let Sioux City Fire Rescue know of the location and extent of the fire if one is present. Once Sioux City Fire Rescue gives the “all-clear” to Campus Safety and Security and/or Residence Life, students will be allowed to re-enter the dorm and rooms. If there is an extended period of time that the students may be outside during inclement weather, they will be moved to another building until the situation is resolved. If there happens to be a fire and the building is not suitable for occupancy, temporary housing will be provided on campus in cooperation with college staff and the Siouxland Red Cross if warranted.

During inclement weather students will be moved inside to another building to keep them out of the elements.

Reporting Fires

If a fire does occur on campus, students, faculty, and staff are to call 911 and Campus Safety and Security to notify them of the situation. Safety and Security staff also notifies the Director and

Assistant Director of Safety and Security when there are alarms on campus and when Sioux City Fire Rescue is on scene. If there is a fire, the Director and/or the Assistant Director of Safety and Security will respond accordingly along with the Director of Facilities and Vice President of Communications and Marketing. When a fire occurs in the residence halls, the Director of Safety and Security and/or Assistant Director of Safety and Security will notify the Vice President of Business and Finance, Vice President for Student Life and Enrollment, Vice President of Communications, Vice President for Marketing, Vice President for Advising, Vice President for Institutional Advancement, Dean of Students/Title IX Coordinator, Provost, and the President.

WHO TO REPORT FIRES TO

Listed below are the non-emergency numbers to call to report fires that have already occurred and been extinguished in on-campus housing. These are fires for which you are unsure whether Campus Safety and Security or Residence Life may already be aware. If you find evidence of such a fire, or you hear about such a fire, please contact one the following:

FIRE SAFETY EDUCATION AND TRAINING PROGRAMS

Fire safety education programs for all students living in on-campus student housing and all employees that have any association with on-campus student housing are held at the beginning of each academic year. These programs are designated to: familiarize everyone with the fire safety system in each housing facility, train everyone on the procedures to be followed in case there is a fire, and distribute information on the college's fire safety policies. Everyone is made aware that there are maps in each dorm room of the nearest evacuation route from their rooms in the case of a fire and where fire pull stations are located as well. During these times, it is stressed that at any time the fire alarm goes off that it should be treated as a real fire situation. Students with disabilities are assisted by the "buddy" system. There are also fire drills done each semester to help educate students and residence life staff of what to do in the event of a fire.

Faculty and staff have building meetings where fire safety is addressed. They are reminded of how to use a fire extinguisher and fire safety. They are reminded that certain items are not allowed in offices or on campus due to the fire risk.

Each semester an email reminder about fire safety is sent out. This includes of what to do during a fire alarm, what items are not permitted in the residence halls, and that they should not put their life at risk to try to put out a fire.

2015 Fire Drills and Training:

Fire drills were conducted throughout the year in the residence halls in conjunction with Residence Life. All fire drills were unannounced.

Sioux City Fire Rescue conducts yearly inspections of all buildings.

Fire Extinguisher Training is done by Sioux City Fire Rescue Fire for Residence Life, Campus Safety and Security, custodial, and maintenance staff.

If a fire does occur, students are instructed to leave the area per the evacuation routes and get outside as quick as possible before calling 911 for help. They are to remain outside until all students have left the building. RAs are instructed to pull the fire alarm as they leave the building if they can do so without risking their personal safety. They may also try to put the fire out with a fire extinguisher if possible and not risking their personal safety as well.
